

Oscar's Fundraising Guidelines

What Is It and Who Is It For?

Oscar's Fundraiser Nights are a 4-hour event for non-profit organizations with a valid tax ID number or school/sports groups. The organization will promote their fundraiser night and will receive 15% of net profits (sales minus tax) for sales up to \$500 and 20% of net profits for sales over \$500.

This Is How It Works:

- An application must be completed and submitted to the store manager at least one month prior to the desired date. Events can be hosted Tuesdays through Thursdays. Store manager will notify you of the approved date.
- Completed applications should be accompanied by a W-9, 501c3 form, etc. if your organization is tax exempt.
- Your only job is to promote your event with friends and family of your organization. This can be done by distributing the flyers that we will provide.
- Guests must have a voucher to have their sale counted towards the total. Paper or electronic vouchers are accepted.
